The Town Board of Pittsfield held a Special Meeting on Tuesday, October 18, 2016. Meeting was called to order by Chairman Deneys at 6:00 p.m. at the Pittsfield Town Hall. Present for roll were, Chairman Deneys, Supervisor Huetter and Supervisor Tauscher.

Deneys/Huetter, motion to approve the CSM for Dan Laskowski. Motion carried.

Ditch cleaning and brush removal was discussed. All excavators are too busy at this time to get bids for work needing to be done at this time. The board felt it maybe best to wait until spring and bid the ditching jobs as a package at that time.

Deneys/Tauscher, motion to hire a contractor to do televising and cleaning the existing culvert in Anston not to exceed \$2,500. Motion carried.

Deneys/Huetter, motion to allow Mr. Kuffel, 5645 Norway Drive, to clean the ditch on that road, under advisement of the Town's engineer, while he is doing other excavating work in that area. Motion carried.

Deneys/Huetter, motion to have Town's engineer contact a contractor to shoulder Glendale Ave. from Greenfield Ave. to the Mountain Bay Trail. Motion carried.

Deneys/Tauscher, motion to adjourn at 6:45 p.m. Motion carried.
